CHRISTMAS

AN ALPINE LODGE

On a crisp winter's night, travel through the private gates along the winding path and through the trees to an Alpine Lodge surrounded by glistening waters. This festive retreat is yours for the night.

The inviting wooden lodge is warm and cosy ready for the party ahead. A tall, twinkling Christmas tree stands proud in the room and staff are ready to greet with warm mulled wine. The tables are adorned with candles, pine cones, berries and decorations. Delicious canape and bowls are circulated to guests by caterers [Jimmy Garcia](#). As the last of the dessert canapes are served up, the dancing begins until the clock chimes midnight and carriages depart at the end of this festive filled evening at the Alpine Lodge.
